MUHLENBERGIA

Devoted exclusively to the seed-bearing plants and ferns. Every number has a cover illustration of some North American species, accompanied by an article on the species. Rarely is a number issued without one or more figures or full page plate illustrations in the text. Special attention is given to the redescribing and illustrating of old species not well understood. Special attention will be given in future to the study of North American trees. A number of illustrated articles on this subject have already appeared. Sample copies may be had for the asking. Send in your subscription now, and do not wait until it is impossible to obtain a full set of the journal, or even one volume. Price, \$1.00 a year, 12 numbers. Now in the 8th volume.
